

Friends of Downingtown Library
Winter Update

After tallying the results of our October Book Sale, the Friends can report that it was our best ever in terms of attendance, book donations, and sales! The long-awaited Fall Book Sale was made possible by the efforts of so many who joined the Friends in their endeavor. We are grateful to the Parks Department, Minquas Fire company, High Schoolers, Girl Scouts, new volunteers, and the Library Staff themselves, all pitching in to guarantee our success.

Over these winter months, we will be installing additional shelving in the Friends Room, reviewing the Friends' Constitution and By-Laws, and welcoming new members to our meetings and activities.
