

DOWNINGTOWN LIBRARY COMPANY MATERIALS DISPLAY POLICY

The Downingtown Library Company (DLC) may allow for the display of materials for public awareness. The Library Director shall approve all display materials. Decisions are based on space available, as well as alignment with the Library's focus on literacy, access to opportunities, and community connection.

Because of space limitations, materials displayed are limited to posters or flyers and are further limited to materials from the following organizations: government, libraries, schools, park and recreation departments, and other nonprofit or civic organizations. Materials from other organizations that partner with the Library may also be considered for display. Religious and partisan political materials may not be posted, displayed, or distributed in the Library.

Materials related to fund-raising or commercial, for-profit activities are not permitted unless those activities directly benefit the DLC.

Typically, information shall be on display or posted for a period of no more than 60 days, unless otherwise approved by the Director.

No sign or poster may be posted on or around the exterior of the Library building unless otherwise approved by the director.

The Director maintains the right to remove materials at their discretion.

Acceptance of a display of materials does not indicate that the Library endorses a particular idea, cause, or activity. The DLC reserves the right to reject materials not in keeping with the mission of the DLC.
